bonus points will be calculated automatically, but may take a few days after the base transaction posts to post to your account. The Redemption Special usually runs from the first part of November until the end of February. The certificates require half the amount of points. So, during the special a Tier A certificate would only require 2,500 points instead of 5,000. Not all Parks participate in the special and if a Park is closed any time during the special, then it is excluded.
